

**REMARKS**

The Notice to File Corrected Application Papers required the submission of a sequence listing and substitute drawings (Figures 3A, 3B and 3C). The attached printed version of the Sequence Listing is identical to the Sequence Listing submitted on September 28, 2000 in parent application Serial No. 09/242,449. In accordance with 37 C.F.R. 1.821(e), please use the computer readable form filed in that application on September 28, 2000 as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary changes in application number and filing date for the instant application.

The undersigned hereby states that this submission, filed in accordance with 37 C.F.R. §1.821(g), does not contain new matter.

Pursuant to 37 C.F.R. §1.821(f), the undersigned hereby states that the content of the paper copy submitted in this application and the computer readable copy of the Sequence Listing submitted in U.S. Serial No. 09/242,449, in accordance with 37 C.F.R. §1.821(c) and (e), are the same.

It is believed that the application now complies with all requirements set forth in the Notice. Reconsideration and withdrawal of the Notice to File Missing parts is earnestly solicited.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP  
Attorneys for Applicants
